## TOWN WARRANT FOR 1967

(L.S.)

*To the Inhabitants of the Town of Newton in the County of Rockingham in said State, qualified to vote in Town Affairs:*

You are hereby notified to meet at the Town Hall in said Newton on Tuesday, the 14th day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To hear the reports of Town Officers and pass any vote relating thereto.
4. To see if the Town will vote to authorize the Selectmen to hire money in anticipation of taxes.
5. To see if the Town will vote to authorize the Selectmen to sell property acquired by Tax Collector's deed or through Old Age Assistance; or any other property of the Town not used for public purposes.
6. To see if the Town will vote to raise and appropriate the sum of four thousand dollars (\$4,000.) for the purchase of approximately twenty and one-half acres of Stronach land, located at the Western end of Bartlett Street in Newton; and to authorize the selectmen to execute any and all contracts or agreements necessary and proper to accomplish said purchase.
7. On the request of ten or more legal voters of Newton, to see if the town will request the assistance of the New Hampshire State Tax Commission to make a complete reappraisal of all Real Estate within the Town, and to appropriate the sum of seventy-five hundred dollars (\$7500.) therefore.
8. To see if the Town will vote (a) to purchase and equip a new class "A" combination pumper fire truck, according to specifications drawn and approved by the Fire Department; (b) to authorize the selectmen to execute contracts or agreements necessary and proper in connection with the purchase and equipping of such fire truck; and (c) authorize the selectmen to issue bonds or notes in an amount not to exceed eighteen thousand five hundred dollars (\$18,500.) for the purpose of financing such purchase

and equipment.

9. To see if the Town will vote to raise and appropriate a sum not to exceed Two Thousand dollars (\$2,000.) to be used for reconstruction purposes on the Town Roads.

10. To see if the town will vote to authorize the adoption of the following policy for payment of salaries to the selectman: That the yearly pay of all three selectmen shall be in the amount of Six Hundred dollars (\$600.) each.

11. On the request of ten or more legal voters of Newton, to see if the Town will vote to add the following section to Article II of the Building Code and Safety Ordinance, said section to be known as Section X:

Section X:

The requirements of the National Building Code, 1955 edition and any subsequent amendments thereto, shall be complied with in every respect in those situations not covered by, or referred to, in the Building Code and Safety Ordinance, Town of Newton, New Hampshire.

12. To see if the Town will vote to raise and appropriate a sum not to exceed Seven Hundred and Fifty dollars (\$750.) to construct a fire pond and dry hydrant on Smith Corner Road.

13. To see if the Town will vote to raise and appropriate a sum not to exceed Six Hundred dollars (\$600.) to install two dry hydrants at Wilders Grove.

14. To see if the Town will vote to adopt by reference the Earth Removal Ordinance adopted by the Board of Selectmen on August 22nd, 1966, and presented and revised at public hearings November 9, 1966, and January 11, 1967.

15. To see if the Town will vote to raise and appropriate a sum not to exceed four hundred and fifty dollars (\$450.) to place a cement cover over the fire well located in front of the Newton Junction Baptist Church.

16. To see if the Town will vote to allow the selectmen to retain a portion of the percentage of Head Tax collection which is kept by the Town under the provisions of the State Statutes.

17. To see if the Town will vote to establish a Town Conservation Commission, as set forth in R.S.A. 36-A:

18. To transact any other business that may legally come before said meeting.

## REPORT OF TOWN MEETING, MARCH 9, 1966

The meeting was called to order by the Moderator, Clifford R. Bryer, at 8:05 p.m.

**Article 1.** The results of balloting on Tuesday, March 8, 1966, for Town Officers, were read by the Moderator.

The Moderator requested the cooperation of the voters in keeping the discussion to a minimum in view of the lengthy warrant.

Reverend Hugh C. MacLean of the First Baptist Church was called on for the Invocation.

**Article 2.** On a motion by Fred H. Cust, it was voted "to raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations for the same".

**Article 3.** On a motion by Mr. Cust, it was voted to accept the reports of Town Officers as printed in the Annual Report of 1965.

**Article 4.** On a motion by Laurent H. Dube, it was voted "to authorize the Selectmen to hire money in anticipation of taxes."

**Article 5.** On a motion by Christopher D. Sherrill, it was voted "to authorize the Selectmen to sell property acquired by Tax Collector's Deed or through Old Age Assistance; or any other property of the Town not used for public purposes."

**Article 6.** On a motion by Ellery F. Atwood, it was voted "to raise and appropriate \$295.15 to receive \$1,967.67 for Class V roads."

**Article 7.** Henry C. Finkler moved that the Town "purchase and equip a new Class "A" Pumper Fire Truck according to Specifications drawn and approved by the Fire Department. . . . and authorize the Selectmen to issue bonds or notes in an amount not to exceed \$16,500.00 for the purpose of financing such purchase and equipment."

Questions regarding the proposed truck and equipment were answered by Fire Chief, Russell D. Estabrook. Also, Kenneth A. Field, Jr., Chairman of the Board of Selectmen, explained that because of the wording of the motion passed at last year's Town Meeting, to set aside \$5,000.00 toward the purchase of a fire truck, the State Tax Commission ruled that the money would have to be put in the surplus fund and used to reduce the amount to be raised by taxes next year.

A paper ballot showed the following results: 169 votes cast,

---

108 yes and 61 no. The motion was defeated since it lacked the required two-thirds majority. Arlyn R. Leach and John F. Cronin were appointed by the Moderator to count the ballots.

**Article 8.** On a motion by Mr. Finkler, it was voted "to authorize the Trustees of the Trust Funds to establish a Common Trust Fund to combine Town Trust Funds for investment purposes . . . and cause the . . . records to be available for public inspection at reasonable times."

**Article 9.** Wallace B. Nyberg moved that "the Town raise and appropriate a sum not to exceed \$1,000.00 to reshingle the cupola of the Town Hall. . . ". This motion was seconded.

After a spirited discussion of reshingling versus removal, a voice vote was declared by the Moderator to be negative.

The Selectmen requested a hand vote, and Mitchell G. Denno, Mr. Finkler, and Paul R. Morse, were requested by the Moderator to count. The show of hands resulted in 60 yes and 68 no. The motion was defeated.

**Article 10.** Mr. Atwood moved, and it was seconded, that the "Town authorize School Age Non-Profit Organizations of Newton to hold their meetings in the Town Hall at no cost to the Organization."

Mr. Field requested clarification of who was to pay the Janitor for such meetings and found that the sentiment of the voters was that the Town pay this fee. The motion received an enthusiastic vote of approval.

**Article 11.** Mr. Field moved that "the Town raise \$400.00 to install a Blue Phone Network for the Town Police Department." This motion was seconded and in the discussion following, Mr. Field explained that this would cover the cost of installing 6 phones and maintaining them for one year. The phones would be installed at the discretion of the Chief of Police and with the approval of the Selectmen.

Mr. Denno, Mr. Finkler, and Mr. Morse were again appointed by the Moderator to count the show of hands. The vote was 143 yes and 9 no.

**Article 12.** On a motion by James A. Marden, it was voted "to raise \$880.00 to purchase a plow blade."

**Article 13.** A motion by Mr. Sherrill to establish scheduled open hours at the dump was seconded.

Mr. Sherrill offered an amendment which was seconded, that the hours be established as 8-8 Wednesdays, 8-8 Saturdays, and

---

---

8-8 Sundays.

After some discussion, Mr. Sherrill withdrew his amendment and the person seconding withdrew also.

Chester E. Bearce moved that the motion be amended to establish hours as follows: 12 to dusk on Wednesdays, 7 to dusk on Saturdays, and 10 to dusk on Sundays and all legal holidays. This amendment was seconded and approved by the voters. The main motion, as amended, was then approved.

**Article 14.** On a motion by Mr. Field, it was voted to raise \$308.00 as Newton's contribution to the annual budget of the Seacoast Regional Development Association.

**Article 15.** Mr. Dube made a motion, which was seconded, that "the Town raise \$100.00. . for the Newton Planning Board."

Mr. David H. Beebe pointed out that this item had been included in the Budget which was accepted under Article 2. In view of this information, no action was necessary on Article 15.

**Article 16.** On a motion by Mr. Field, it was voted "to raise \$2,000.00 to be used for reconstruction purposes on Town Roads."

Mr. Bearce explained that he would use the money to improve areas where "safety" is a factor.

**Article 17.** Mr. Beebe moved that "Article 1, section 1 of the Building Code and Safety Ordinance, Town of Newton, N.H., read: Every building lot shall have a minimum lot frontage of 150 feet and a total area of not less than 30,000 square feet. Only established and recorded lots prior to the day of enactment of this amendment are exempt from this provision." This motion was seconded.

Lloyd S. MacDonald offered an amendment that would make the lot size 125 feet frontage by 150 feet in depth, and a total area of not less than 15,000 square feet. This amendment was seconded but defeated by a voice vote.

Following a lively discussion, Mr. Elliott Vallas offered this amendment to be inserted after the word "amendment" in the last sentence of the original motion, "and any and all lots which had been submitted for approval to the planning board and had complied with the requirements relative to lot size as of the date they were submitted." This amendment was seconded. The amendment was approved by a voice vote.

The original motion, as amended, was then voted on by a show of hands. The Moderator appointed Donald B. Norman, Albert L. Lynn, and Mr. Morse, to count. The vote was 89 yes and 16 no.

---

---

**Article 18.** On a motion by Roland D. Estabrook, it was voted to have the Selectmen take what steps necessary to have an article on the Town Ballot next year, using the same specifications as drawn and proposed for Article 7 of this year's warrant.

On a motion by Mr. Beebe, it was voted that the Moderator appoint a committee of five men to investigate the condition of the cupola and make a recommendation.

The Moderator announced that he was re-appointing Winslow B. Krueger and Fred H. Cust to the Planning Board.

He also re-appointed Elmer C. Bearce to the Board of Adjustments.

On a motion by Mr. Krueger it was voted to dissolve the present Finance Committee and that the Moderator appoint a new Committee.

The Moderator announced that the present Finance Committee would serve until the Sanborn Regional School District Meeting, on March 26th.

The meeting adjourned at 11:50.

Juvenile Fiction	1,346
Juvenile Non-fiction	873
Total	<hr/> 6,860

Due to the discarding program an exact number of books on hand is not possible at this time. An exact account is to be taken when the re-cataloging is completed.

Respectfully submitted,  
A. Marian Hatch, librarian

---

## REPORT OF THE LIBRARY TRUSTEES

This has been an extra busy year at the library. Mrs. Rachel Sanborn, State Library area consultant, has paid many visits to the library to conduct a book-weeding project which becomes a "must" every few years. Many books become out-dated, worn, and are of little value except as space-eaters. She has also given instructions for the re-cataloging project now in progress, this includes all books and materials for reading and reference. It is a time-consuming project and may take two or three years to complete. Shelving of the books has been changed in some categories and we trust you will bear with the librarian and officials until all become adjusted to them. We trust that eventually the changes will prove of great value.

We are indebted to the Friends of the Library for assisting in the book-weeding and re-cataloging projects and for donating time to provide a Monday night opening without cost to the library. By this it is assisting the library to achieve the goals set by the Advisory Council of the Library Development Program, which must be met within five years.

Mrs. Ella Yates, delegate to the Council, and Mrs. Arthur Wright, alternate, have attended all meetings except one, due to illness. Nearly 100 per cent of all libraries in the state have now joined this program, realizing its great worth. Once again we will receive \$100 worth of reference books through funds provided by the Library Assistance Act of Congress.

As the State Library Bookmobile no longer visits the schools, it became necessary to make arrangements with Principal Paul Hanson to provide the schools with supplementary educational books as well as those for pleasure reading. The children were brought to the library for six weeks through the co-operation of school officials. An arrangement has now been made that teachers of each grade pay periodical visits instead to pick out books which are taken to the schools for a definite period of time. This is working out well for both the library and schools.

---

Officials are, however, disturbed that some book borrowers, mainly children, but some adults, neglect bringing books back when they are due. This applies to State Library books as well as our own. This year we have had to pay the state for several books which have either been lost or destroyed by borrowers. This not only hurts our reputation but makes that much less for purchases for ourselves. We ask all parents to please see that books are properly cared for and returned so that they are available for loan to others.

Plans are in progress for re-decorating the interior of the library with money available from trust funds created for that purpose.

We, the library officials, express appreciation to all who have shown interest in the library with donations of books and materials, also to the state for providing hundreds of books through visits of the Bookmobile as well as personal services. We are also appreciative of the many extra hours which the librarian provides, gratis.

As we said last year, your appreciation for all that we are endeavoring to provide for you can best be measured by your use of the library.

Clifford R. Bryer, Chairman  
Mrs. Edna F. Boyd, Secretary  
Mrs. Ella M. Yates, Treasurer  
Trustees of Gale Library

## REPORT OF THE NEWTON PLANNING BOARD

The Newton Planning Board has been working very hard this year in implementing the initial phase of the Master Plan and continuing the work of the Planning Board which was voted by the Townspeople at the 1964 Town Meeting. The Board has met monthly with Mrs. Charles R. Thomas of Thomas Associates, the Master Plan consultant hired by the Town. In conjunction with Master Plan the Board began a study of zoning. Because of an increased workload and the important decisions that had to be made the Board found it necessary to meet weekly instead of bi-monthly as originally planned. Some of the projects which have been undertaken this year are:

- (1) Erection of posts and street signs by the Board members in their spare time.
- (2) Initiating a "Clean-up Week" for the Town of Newton held in April. Members of the Board, Boy Scouts, Cub Scouts, and many citizens participated in this project without whose help the week would not have been a success.
- (3) Beginning a series of Public Discussions, the first of which was held in June. It is hoped that these discussions will better help the people of Newton to understand the necessity of Town Planning. The subject of this first meeting was a report by the Rockingham County Soil Conservation Service in conjunction with the first phase of the Master Plan.
- (4) Acceptance of subdivisions after Public Hearings. The first to be accepted was presented by L. Scott MacDonald and is located on Chase Street. The second to be accepted was presented by Glenn Garry Realty Inc. and known as Quaker Grove on Peaslee Crossing Road.
- (5) Holding a Public Hearing on the Earth Removal Ordinance adopted by the Selectmen.
- (6) Joining with the Selectmen and the Fire Department in observance of National Fire Prevention Week.

---

(7) Holding the second in the Public Discussion series in October. The subject was "Phase 1 of the Master Plan."

Looking into 1967 the Board will complete the street sign project. Study on the Master Plan will continue. The Board will also continue to look into acquiring land along Country Pond for a possible Town Recreation area. More Public Discussions will be held when deemed pertinent and Subdivision hearings held when necessary. We hope to again observe Newton "Clean-up Week". A landscaped area on Route 108 at the lower end of Wentworth Drive is being planned in conjunction with the Newton Garden Club. The area will also include a "Welcome to Newton" sign.

The Newton Planning Board wants to extend to the citizens of Newton its thanks for their continued support.

Laurent H. Dube, Chairman  
Merton E. Boyd  
Christopher D. Sherrill  
Kenneth A. Field, Selectman Member  
Edward Emerson  
Mrs. Ernest Yates  
Joseph F. Austin

---

## REPORT OF THE DOG OFFICER

The year 1966 has been another busy year for the Dog Officer. Each year brings more calls and complaints. This year, also, there was a large increase in dog bites and the number of dogs killed by automobiles.

A total of 198 Dog Licenses were issued this year, an increase of about 40 over each of the past four years, and an increase of almost \$150 in tax money.

Even though there has been an increase in the number of dog's licenses issued, there are still some who do not license their dog or dogs. Also, when the dog restraining order is in effect, there are some who insist that they will not tie their dogs. To these few who do not comply with the laws of this town and state this year (1967), Court Action will be taken.

This past year has seen a large increase in the deer herd in this area which has brought about a large increase in the number of dogs chasing them. Several dog owners have been given written warning by the State Game Warden. If these, and others found running deer are not stopped they will be picked up and destroyed by the Game Warden.

In closing, I wish to thank everyone who has helped and given me their cooperation in helping me solve some of the dog problems of this Town this past year.

Respectfully submitted,  
Carl H. Page  
Dog Officer

## REPORT OF THE POLICE CHIEF

The Newton Police Department reports a very busy year for 1966. This has been anticipated by the NPD as law enforcement activities throughout the State of New Hampshire has drastically increased.

Many of the more difficult cases must be worked on continually, during the day or throughout the night, before completion as they include travel to surrounding towns. This uses our appropriation for hours and mileage. The officers, however, deserve commendation for the immediate action and interest in completion of a case. They receive no overtime salary for cases that may last through the night.

As the laws of the court become more difficult to contend with, our officers must use their ability, which they have acquired from practice and experience. When an officer is to bring a case to court, he must be alert, skillful, and well-informed to cope with the expertness of the court.

As time is a large factor in most police cases, cooperation of the townspeople is beneficial. This cooperation is appreciated by the department.

Surrounding towns work with the Newton Police Department, whenever necessary, in a joint operation or action in any police activities, shared for mutual benefit. The State Police cooperate with the department in this same manner.

The officers of the department and the chief would once again like to express thanks to all those who have assisted the department.

Respectfully submitted,  
Richard S. Hanson  
Chief of Police

Annual Reports

of the

School Board

of the

town of

NEWTON

New Hampshire

---

**RECORDS OF THE ANNUAL SCHOOL MEETING OF THE  
SCHOOL DISTRICT OF THE TOWN OF NEWTON**

**March 10, 1966**

The meeting was called to order at 8:05 by Clifford Bryer, Moderator.

The following officers were elected jointly with the town elections by Australian Ballot: Moderator, Clifford R. Bryer; Clerk, Mrs. Verna Cronan; School Board Member, John F. Swasey, Jr.; Auditors, Everett E. Coombs and Everett O. Kelly.

Newton will be going into the Sanborn Regional School District on July 1, 1966, and, therefore, the above offices will be held only until June 30, 1966.

**ARTICLE 1.** "To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto." On a motion from John Swasey, Jr., for the School Board, seconded by Christopher Sherrill, the reports were accepted as printed in the Town Report.

**ARTICLE 2.** "To choose Agents and Committees in relation to any subject embraced in this warrant, to serve until July 1, 1966". Winslow Krueger made a motion, seconded by Christopher Sherrill, that this Article be accepted as printed in the Warrant. Motion was carried.

**ARTICLE 3.** "To see if the District will vote to authorize the School Board to convey to the Sanborn Regional School District, by Quitclaim Deed, the present Newton Memorial School and the Village School, together with the contents thereof, and all land owned by the District." Christopher Sherrill made a motion that Article 3 be accepted as printed in the Warrant, seconded by Horace Williams. Motion was carried.

**ARTICLE 4.** "To see if the District will vote to direct the Treasurer to pay over to the Treasurer of the Sanborn Regional School District any cash balance in her hands or money due the District as of July 1, 1966, less any outstanding bills or debts; any sum

---

so transferred to be used as a credit against the Regional School District assessment to be raised by the pre-existing Newton District to defray its share of the cost of operation of the Regional District during the first year of operation.” Christopher Sherrill made a motion that Article 4 be accepted as printed in the Warrant, seconded by John Swasey. Motion was carried.

**ARTICLE 5.** “To see if the district will vote to accept the provisions of Title I, Public Law 89-10 (Elementary and Secondary Education Act of 1965), and to appropriate such funds as may be made available to the district under said Federal Act for such particular projects as may be determined by the school board. Further, to see if the district will authorize the school board to make application for such funds and to expend the same for such projects as it may designate.” Elliott Vallas made a motion that Article 5 be accepted as printed in the Warrant, seconded by Christopher Sherrill. Before the motion was voted upon, John Swasey stated that according to a directive from the State, a motion made to accept this article would have to include the amount of money to be appropriated. Elliott Vallas withdrew his motion and Christopher Sherrill withdrew his second. Kenneth Field made the following motion: “I move that the district vote to accept the provisions of Title I of Public Law 89-10 and to appropriate the sum of \$5406.44 such monies having been made available to the district under said Federal Act for such particular projects as may be determined by the school board. I further move that the district authorize the school board to make application for such funds and to expend the same for such projects as it may designate.”

The motion was seconded by John Swasey and was carried.

**ARTICLE 6.** “To transact any other business that may legally come before said meeting.”

Christopher Sherrill stated that this is our last meeting in Newton and reminded the voters that there is a meeting on March 26, 1966, at Swasey Gymnasium, voting 9-3.

Horace Williams made a motion that the Town give the School Board members a vote of thanks for their past services, seconded by Kenneth Field. Motion was carried.

John Swasey gave his thanks, on behalf of the School Board, to the townspeople who had given their support to the School Board in the past and asked for their support in the Regional School

---

The meeting was adjourned at 8:38.

Respectfully submitted,  
Verna M. Cronan  
School District Clerk
